

New Source Review newspaper advertisements for construction permit applications, November 8, 2018. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on one of the following dates: November 1, 2018. Public notices are generally published every week. The previous publication of public notices was October 30, 2018.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

HEADER

The applicant is Roach Sawmill and Lumber Company LLC, with a mailing address of 10300 Hwy 64 East, Savannah, TN 38372. They seek to obtain an air contaminant permit (Division identification numbers: 36-0084-02/973994) for a Sawmill Operation located at the same address. The existing operation consists of band saws, gang rip-saws, wood shapers, and associated equipment. A cyclone is used for pollution control. There would not be physical construction. Regulated air contaminants are emitted by these sources. Mr. Jim A. Attar is the assigned Division person.

For the Hardin County "Hardin County Courier"--publish on Thursday November 8, 2018.

Header

The applicant is Titan Tire Corporation Of Union City with a mailing address of 2701 Spruce Street, Qunicy, IL, 62301. They seek to obtain an air contaminant permit (Division identification number: 66-0012/975248) for construction of a Platen Press (PP-9) located at 3260 Goodyear Boulevard, Union City , TN, 38261. Source 108: This proposed operation would consist of a platen press and associated equipment used to make rubber mats. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted at this facility. Mr. Chris Meek is the assigned Division person.

For the Obion County "Union City Daily Messenger"--publish on Thursday, November 8, 2018.
